Workshop on Co-Determination

The IAAEU and the Chair of Personnel Economics at Trier University are pleased to announce a virtual one-day Workshop on Co-Determination. The workshop aims to facilitate networking between scientists and to promote the exchange of research ideas dealing with consequences and determinants of co-determination in the German system of industrial relations. Given the focussed topic, we look forward to a lively discussion and an in-depth exchange of ideas. Both theoretical and empirically oriented contributions are highly welcome. We particularly encourage PhD students to submit their research.

Each paper will be allotted up to 45 minutes, which is to be divided between the presentation and a discussion.

Keynote lecture

John T. Addison (University of South Carolina) will hold the keynote lecture.

Deadline for Submission of Abstracts: Sept. 15, 2020

Please submit electronic versions of extended abstracts or full papers no later than September 15, 2020 to schultze@iaaeu.de. Notifications about acceptance for presentation will be sent by September 30, 2020. Full versions of accepted papers should be provided three weeks before the workshop starts.
